

A Hard Act To Follow 3:56

Look out for that fork in the road
'cause you know it goes both ways
And if you think that you're all on your own
Then I'll help you find the way
You're not forgotten love
Well I've heard it so many times before
But I simply turned away
And sometimes our love was so easy to ignore
Now have to find to way
To summon the strength to say
That you're a hard act to follow
From the very first taste to the final swallow
A hard act to follow
Like the finest of wine
Your love just gets better with time
So it goes, and everybody knows
That Rome wasn't built in a day
But if you can, just please take hold of my hand
And I'll help you find the way
Cause you're not forgotten love
And you're a hard act to follow
From the very first taste to the final swallow
A hard act to follow
Like the finest of wine
Your love just gets better with time
