

The Moment 3:31

All the leaves are falling
Catch them if you can
A painting left unfinished
All the colours ran
She turns towards the ocean
To see what she can see
But looks back for a moment
An eternity
And all she ever wants
Is all she'll never get
And all she's ever known
Is all she'll soon forget
And all the leaves will fall
I wish that I could help her
But she won't let me in
She's been hurt far too often
To try again
And all she ever wants
Is all she'll never get
And all she's ever known
Is all she'll soon forget
And all the leaves will fall
